

Customer Mentor Days

Guidance from Blue Prism experts; you choose the topic and timeframe

Sometimes customers need more specific and uniquely structured help than one of our predesigned packages offer. We're happy to offer Customer Mentor Days that allow customers to engage with our intelligent automation experts in timeframes and on topics that help them the most.

What are Customer Mentor Days?

Customer Mentor Days are flexible timeframes of Blue Prism expert engagement customers can purchase to engage on topics of their choice.

Whether you need help with ROM, a mix of training and mentoring, experts to shadow or oversee newer team members or something else, we will collaborate with you to outline the scope of work and outline success criteria.

Why choose Customer Mentor Days?

Get the answers and guidance you need most, with hands-on 1:1 attention from seasoned Blue Prism and intelligent automation experts. Mentor days can be used all at once, or on-demand as you progress with your program. Buy now but use later so there's no need to resecure funds or increase the budget down the line.

What you can expect:

- Multi-day engagements based on the needs of our customer.
- 1–2-hour workshops on design, delivery, infrastructure, etc.
- Discussions: i.e., Robotic Operating Model and how you can implement it
- Training of feature within Blue Prism and newly release products.

VALUE AND POTENTIAL OUTCOMES:

- Engage with Blue Prism experts on a 1:1 basis.
- Increase efficiency in process delivery.
- Upskill the development team with advanced features of Blue Prism.
- The ability to design new/advanced solutions.
- Understand how to grow your Center of Excellence (CoE)
