

Interact Accelerator

The fastest way to learn how to use Interact and incorporate it into your existing processes.

With Interact Accelerator you'll create a solid foundation for Interact that's built for long-term success, and able to generate value very quickly.

What is Interact Accelerator?

Our Interact Accelerator support package is a combination of expert advice and quality assurance to help you optimize the installation, configuration, and initial use of Interact.

Why Choose Interact Accelerator?

With Interact Accelerator, a Blue Prism Senior Consultant will thoroughly upskill your team on Interact, as well as on the best ways to design and use Interact. This process enables customers to achieve success quickly, and to uncover new processes to add to their pipeline that were not possible before.

What to expect:

- Self- or professionally led training on Interact.
- Support and mentoring of the Interact installation.
- Mentoring and guidance for implementing Interact best practices to create value effectively and efficiently.
- Mentoring and guidance through the first process using Interact

VALUE AND OUTCOMES:

- More effective and efficient exception handling
- Generate value from using Interact.
- Uncover new avenues for pipeline growth.
- Complete more transactions using the digital workforce.
- Engage with Blue Prism experts on a 1:1 basis.
- Increase employee interaction with the digital workforce.
