

Success Accelerator

The technical know-how that helps companies maximize the growth and capitalize on intelligent automation's value potential.

The Success Accelerator focuses on operational efficiencies, improved customer satisfaction, and discovering new ways to grow your business.

What is the Success Accelerator?

The Success Accelerator builds upon the foundation of a robust and proven Robotic Operating Model™. Customers can select the right offering for their team to get ramped up quickly.

Why Success Accelerator?

With the Success Accelerator we start with your vision for what a Digital Workforce could do for your business. A certified expert will guide the team to document a plan and roadmap for how to get there and ensure the value of the intelligent automation program is realized.

What to expect:

- Expertise delivered one-one on the Intelligent Robotic Operating Model™.
- Support capabilities needed to successfully execute a scalable, intelligent automation program.
- Discover the optimal blend of skills, knowledge, and resources to rapidly grow your capability in line with the demands of the business.
- Customized consulting based on your specific stage of development with your intelligent automation program.

VALUE AND OUTCOMES:

- Support the creation of the Vision and Organisation Structure to support your digital workforce.
- Access to a myriad of complementary technology in the ecosystem that interact seamlessly to create your digital workforce.
- Intelligent ROM™ Assessment
- Recommended roles and responsibilities for the team.
- Mentoring, advice, and guidance from a Blue Prism expert.
- Guidance from a Customer Success Manager (based on package)
